# If you want to offer training activities with the Scrum Manager® certification

*you can request the corresponding training center license or as a professional advisor (training agent).*

## Training Center.

The **training center license** authorizes companies and training entities to include Scrum Manager certifications in their educational offerings.

### **The condition for obtaining the license is**

To be a company or entity for training professionals.

### **Condition for the maintenance of the license**

*The license is renewed annually if Scrum Manager<sup>1</sup> training is provided<sup>1</sup> with an average quality rating > 8<sup>2</sup>.*

### **Procedure for obtaining a license**

- Send us the information in the form at the end of this document.
- Once the information has been confirmed as an entity committed to the training of professionals, we will ask you for the necessary information to formalize the registration which includes the signature of the confidentiality commitment and responsible statement regarding the certification tests.

### **Academic and administrative operations:**

Once formalized as an authorized center, you will have operational information and access to the Scrum Manager intranet where you can directly manage the activities.

### **Cost**

The contribution for the registration and maintenance of the license is not economical and has no cost: the requirement is the quality of the training offered.

The cost of the certificates issued to the students is invoiced to the center on the date of issue with payment within 30 days.

---

1 > 10 students / year.

2 Average of the quality ratings recorded by your students in Scrum Manager.
