

# AGILE CONSULTANT & AGILE COACH

## APPLICATION FOR PROFESSIONAL CERTIFICATION

Scrum Manager's professional certifications endorse the academic training of the credential holder and their strong professional performance. **To process your application**, the following is necessary:

- Possession of the relevant academic certifications.
- Verifiable professional experience curriculum.

**For annual renewal**, Scrum Manager confirms that the credential holder maintains their activity with an average quality rating of 8/10 or higher.

Before submitting your request, please ensure that you meet the **requirements**:
