

SCRUM LEVEL EVALUATOR

APPLICATION FOR PROFESSIONAL CERTIFICATION

The **professional certifications** from Scrum Manager endorse the academic training and good professional performance of the credential holder.

To process this application, the following is required:

- [Scrum Manager Agile Consultant Certification](#).
- **Verifiable experience** in one of the following ways:
 - Conducting 3 improvement processes using the Scrum Level framework or performing independent Scrum Level evaluations as an assistant evaluator.
 - Having 3 years of experience in management or advisory roles.

For annual renewal, Scrum Manager confirms that the credential holder maintains their activity with an average quality rating of 8/10 or higher.

Scrum Manager Agile Consultant Certification

Please provide your profile information on Scrum Manager to confirm that you possess the Agile Consultant credential:
