TRAINER

APPLICATION FOR PROFESSIONAL CERTIFICATION

Professional certifications from Scrum Manager endorse the academic training and strong professional performance of the credential holder. **To process your application**, the following is required:

- Possession of relevant academic certifications.
- Verifiable professional experience curriculum.

For annual renewal, Scrum Manager confirms that the credential holder maintains their activity with an average quality rating of 8/10 or higher.

Before submitting your request, please ensure that you meet the **requirements:**

- **Scrum Manager Academic Certification:**
  - Scrum Master (Core Curriculum I).
  - Scrum Level (Core Curriculum II). Only if you will be delivering this training.
- Solid **experience** as a trainer.

Academic Knowledge

Please provide your information as a Scrum Manager member to confirm that you possess the necessary academic certifications.
